Each attendee will receive a free copy of Steve's book, "Is the Commission Still Great? 8 Myths About Missions & What They Mean for The Church."

Attendees will wrestle with questions and skepticism about missions that arise from those both outside and inside the church.

- Is missions an outdated idea?
- Do missionaries do more harm than good?
- Are we succeeding or failing? Is it time for global believers to do the job in their own countries with minimal Western involvement?
