

# The Unfinished Story for Youth

Many of those who serve Jesus by living and working in another culture and far from home made that decision when they were very young. We want to capture that zeal and enthusiasm and build on it. The Unfinished Story for Youth (TUSfY) premiered at Mission Connexion Southwest last year in Phoenix and we want to offer that same experience again both in the southwest and northwest. We are also expanding from one day to two days.

The Unfinished Story for Youth is a one-day **experience** filled with creative teaching and interaction about God's heart for all peoples. This experience is led by young people who have heard and understand the call to be involved in God's global purpose.

The best path in life is right in the center of God's will and God's passion. We want to help 14-20 year olds understand what God is doing in the world and how to join Him in it.

Last Fall in Phoenix, 75 students and 10 teachers and administrators participated and they loved it. TUSfY uses as a foundation the Perspectives on the World Christian Movement course by looking at four distinct areas: the biblical, historical, cultural and strategic aspects of the great commission. Of course, in only one day we can only crack open the door to all that God is doing. But students who attend TUSfY seem to "get it" and that leads to a greater pursuit of God's purpose through their church, youth group, Christian school, and/or their own reading and engagement and other places. It's a BIG START.
